Brief summary

Beyond Monitoring is a 3 day course designed to empower primary head teachers and their senior leaders with the means to secure better teaching and learning.

Why choose this training?

By the end of this course, heads and senior leaders will have the means to develop a bespoke system in their school for improving teaching and learning that meets the needs of their school. The course was developed by two outstanding heads and was used by London Challenge and the DfE. It has been attended by over 400 heads and deputies and has helped to raise standards in a range of schools.

Course overview

The course is split into three separate days with practical tasks in between. Each day involves practical activities that can be adapted to meet school's individual circumstances.

Day One: the focus is improving teaching and includes observations of a lesson in a school.

Day Two: the focus is improving learning through looking at pupils' books, pupil progress meetings, provision and timetables.

Day Three: the focus is on developing systems.

Delegates must:

- Be 'Good' with the potential to achieve 'Outstanding'
- Have at least three years' teaching experience
