Newly Qualified Teachers plus 1 (NQTP1)

Course overview

The course is designed for teachers who are in their second year of teaching. It is split into five separate days over the year. The course can be taken as a 5 day course or each day can be attended independently. It builds on skills learnt in the NQT year and offers opportunity for reflection of practice.

Day One: What is effective learning?

What is effective learning? Deepening learning through a broad and balanced curriculum and building conceptual understanding. Learning walk and classroom observation included.

Day two: Assessment and Questioning

Developing strategies for assessment in the classroom. What does effective AfL look like? Developing questioning to deepen learning and enable mastery. Understanding Bloom's taxonomy as a teaching tool.

Day Three: Challenge and Engagement

What does outstanding teaching look like? Building active engagement and interactive lessons. Target setting to enable good outcomes.

Day Four: Planning for Progression

How do we use variation in order to meet the needs of all pupils? Building independence through teaching sequences, using guided groups effectively to narrow the gap for key groups. Planning for impact.

Day Five: Looking forward to Leadership

What does it take to be a leader? Understand your own leadership style and how you can adapt your approach to build relationships and develop your leadership.
